

CITY OF COLUMBUS CONTRACTORS' WORKSHOP 2023

Contractors, Builders, Developers, and Design Engineers

Tuesday, February 21, 1:00 p.m. – 3:00 p.m.
Check-in begins at 12:30 p.m.

Columbus City Hall, Cal Brand Meeting Hall
123 Washington St., Columbus, IN 47201

This year's workshop will focus on common construction site issues, solutions, and the documentation required.

Receive updates and important information from IDEM's Southeast Stormwater Specialist and the City of Columbus Stormwater Coordinator.

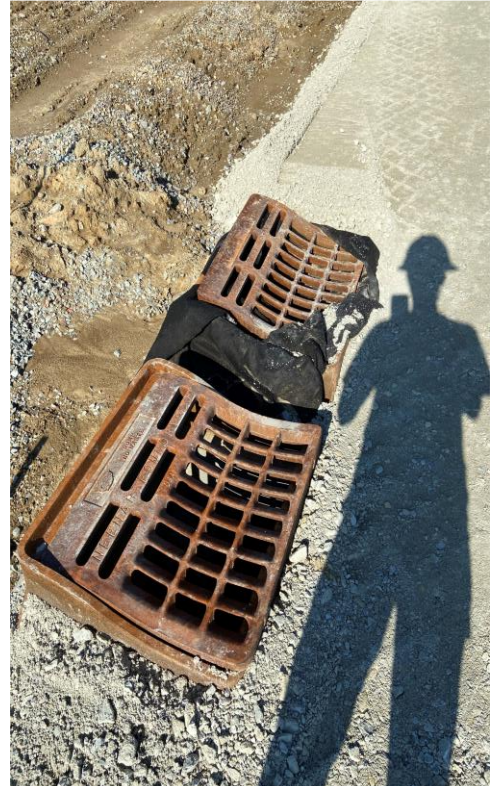

Feel free to submit questions beforehand through the event registration.

Light refreshments will be provided during the workshop.

Brought to you by the City of Columbus Engineering Department and MS4 Program

REGISTER BY FEBRUARY 15TH
